Hey people!

Just wanted to say hello from Franz Josef and that we are having a lot of fun here in NZ. We were really luckz with the weather so far and the whole group I am in is absolutely cool and fun :) I did a 7 hour hike to/on the glacier today, fully equiped with spikes and stuff - the glacier is so beautiful, all the blue ice!! But unfortunately it is high season, you can tell bz all the people :)

Anywaz, gotta go - ser you and take care!

PS: I still have no roaming, bloodz Vodafone!!!
